DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION
Concord, N. H.

October 23, 1946.

Board of Selectmen,
Salem, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Town of Salem, which was made by this Division in accordance with the vote of the town. This audit covered the period from September 10, 1945, date of the previous audit by this Division, to September 7, 1946. The Exhibits have been prepared, however, to present the financial activity of the town and its various departments for the fiscal year ended December 31, 1945, and the period from January 1, 1946, to September 7, 1946. The report is made up in three sections as follows:

Section I—Fiscal year ended December 31, 1945.

Section II—Period January 1 to September 7, 1946.

Section III—Statistical Tables Covering Ten Year Period.

SCOPE OF AUDIT

Included in the audit and examination were the accounts and records of the following officials and departments:

Board of Selectmen
Town Treasurer
Tax Collector
Town Clerk
Trustees of Trust Funds
Public Library
Water Works
Municipal Court
Pine Grove Cemetery

FINANCIAL STATEMENTS

Comparative Balance Sheets — December 31, 1944-
December 31, 1945 (Exh. A)

Comparative Balance Sheets as of December 31, 1944, and December 31, 1945, are presented in Exhibit A. As indicated therein the net surplus decreased by \$3,639.98 during the year.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues:

(Exhibits B & C)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1945, are presented in Exhibits B and C. As indicated by the budget summary a net revenue surplus of \$7,491.50, less a net overdraft of

appropriations of \$7,075.51, resulted in a net budget surplus of \$415.99.

Reconciliation of Change in surplus: (Exhibit D)

A decrease in surplus of \$3,639.98 took place during the year. The factors which affected this change in financial condition were as follows:

Analysis of Change in Surplus

Surplus—December 31, 1944	\$18,274.48
Surplus—December 31, 1945	14,634.50
	<hr/>
Decrease in surplus	\$ 3,639.98

Decreases

Decrease of cash in hands of water treasurer	\$ 1,993.24
Decrease in accounts receivable, water works	1,091.41
Decrease in accounts receivable, from state	1,095.69
Unredeemed taxes transferred to tax deeds	204.67
	<hr/>
	\$ 4,385.01

Increases

Decrease in accounts payable	\$ 304.96
Net budget surplus	415.99
Other items	24.08
	<hr/>
	745.03
	<hr/>
Net decrease in surplus	\$ 3,639.98

Summary of Receipts and Expenditures (Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1945, made up in accordance with the uniform classification of accounts is included in Exhibit E.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Proof of the treasurer's balance as of December 31, 1945, and September 7, 1946, is indicated in Exhibits F and A-1, respectively.

TAX ACCOUNTS

The tax warrants and tax sales accounts of the current and previous years' levies were examined. Summary statements showing the activity therein for the fiscal year ended December 31, 1945, and the period from January 1st to September 7th, 1946, are presented in Exhibits G, H, I, J. and B-1, C-1, D-1, E-1 and F-1, respectively.

TOWN CLERK

The financial accounts and records of the Town Clerk were examined and audited. All funds received by the Town Clerk on account of the issuance of motor vehicle permits and dog licenses were properly ac-

counted for through remittances to the treasurer fees retained or cash on hand. (Exhibits N & H-1.)

TRUST FUNDS

The trust fund accounts were examined and the securities and savings bank books, representing the principal and unexpended income of the various funds, were found to be in order. A summary statement of trust fund principal and investments is included in Exhibit O, while a statement of trust fund income and expenditures will be found in Exhibit P.

SURETY BONDS

A list of the town officers, who are required by law to be bonded, together with the amounts of the bonds and the surety companies by whom they were issued, is contained in Schedule L-1.

WATER DEPARTMENT

The accounts of the commissioners, treasurer and collector of the water department were examined. The summary of receipts and expenditures of the department, proof of Treasurer's balance and detailed analysis of expenditures for the fiscal year ended December 31, 1945, are presented in Exhibits Q, R and S, respectively. Financial activity of the department during the period from January 1st to September 7, 1946, is indicated in Exhibit I-1.

GENERAL COMMENTS

Water Department:

In reports of previous audits we have commented upon the fact that the report of the water department

which is included in the annual printed report of the town is too abbreviated in form and lacking in pertinent information.

The recommendation is therefore again made that the report of the Water Department, which is included in the annual printed report of the town, contain the following statements:

- (1) Summary of cash receipts and expenditures.
- (2) Detailed statement of expenditures.

These should be made up in form similar to Exhibits Q and S of this report.

Appropriation Overdrafts

Total appropriation overdrafts amounting to \$11,819.10, were partially offset by unexpended balances of \$4,743.59, making a net overdraft of appropriations of \$7,075.51. A net revenue surplus, or excess of actual over estimated revenues, of \$7,491.50 exceeded the net appropriation overdraft by \$415.99, the amount of the net budget surplus.

It is our feeling that in making up the annual budget estimated expenditures should be based upon actual requirements as nearly as it is possible to do so, and appropriations when made on this basis strictly adhered to. Likewise revenue estimates should be made a little less conservatively. This procedure should tend to substantially decrease appropriation overdrafts and revenue surpluses.

Invoices and Payrolls

The recommendation is also again made that all bills and invoices, including expense accounts of town officers, be made out in sufficient detail to furnish adequate and necessary information. All departmental payrolls, including those of the police department, should likewise indicate the number of days worked and daily rate of pay for each employee.

Conclusion

The accounts and records of all town officials were found in good condition and the accounting procedure, with exceptions as herein noted, conformed to the uniform system prescribed by this Division.

The provisions of Section 31, Chapter 211, of the Laws of 1929, require that this report or a summary of its essential features shall be published in the next annual town report. This letter of transmittal should be included in its entirety but the inclusion of Exhibits is optional.

We extend our thanks to the officials of the Town of Salem for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER,
Director
Division of Municipal Accounting,
State Tax Commission.

HERBERT E. HUNT,
Auditor.

ALLAN R. MATTHEWS,
NORMAN P. SCHAUER,
PAUL G. APOSTOLICAS,
Accountants.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, N. H.

October 23, 1946.

CERTIFICATE OF AUDIT

This is to certify that we have audited the accounts and records of the Town of Salem for the fiscal year ended December 31, 1945, and the period from January 1st to September 7, 1946; and, subject to exceptions as herein noted, found them to be in good order. In our opinion the Exhibits included herewith reflect the true financial condition of the town, together with the results of operations for the fiscal year ended December 31, 1945.

Respectfully submitted,

HAROLD G. FOWLER,
Director
Division of Municipal Accounting,
State Tax Commission.

HERBERT E. HUNT,
Auditor.

ALLAN R. MATTHEWS,
NORMAN P. SCHAUER,
PAUL G. APOSTOLICAS,
Accountants.

Justice.

REPORT OF THE SALEM FIRE DEPARTMENT

The number of calls and the loss from fires jumped up during the year of 1946. The department answered 129 calls which was 47 more than were made in the preceding year. The loss jumped from \$10,050.00 in 1945 to \$33,247.99 the past year. The equipment outside of the small truck is in good condition. The pump on this truck is worn out and should be replaced. The company has an article for same in the warrant with the amount needed for the purchase.

Very truly,

ROBERT V. EBERT,

Chief.

REPORT MEMORIAL COMMITTEE

To the Citizens of Salem :

The report of this committee will necessarily be short, as the problem of selecting a suitable veterans' memorial, the subject of much debate at the Town Meeting of March, 1946, has apparently resolved itself into a solution very much in keeping with sentiments expressed by a number of townspeople.

As this committee was appointed, at the Town Meeting in March, 1946, to present at the next Town Meeting suggestions for a fitting memorial to be erected in honor of the service veterans of World War II, a number of meetings were held in the North Salem District in an effort to determine the type of memorial preferred. The response was disappointing but at least some tangible ideas were presented. No organized meetings were held in the other districts, but interrogation of townspeople by individual members of the committee contributed in a great measure to the suggestions presented at a full committee meeting. In summarizing reports of members of the committee in an effort to decide upon a fitting memorial to be presented to the Citizens of Salem, our decision was influenced by the actions of two other groups, namely, the Salem Servicemen's Fund Committee, which has earmarked approximately \$6,000.00 to be used to help defray costs incurred in constructing an Auditorium; and the Citizens' Committee of the School District, which has an Auditorium-Gymnasium as a part of its suggested program. Therefore, at our last meeting, it was the unanimous opinion of all members that the most fitting permanent memorial would be an Auditorium-Gymnasium.

It is our recommendation that the citizens of Salem consider, as a fitting permanent memorial to honor the service veterans, the erection of a Memorial Auditorium in which would be incorporated gymnasium facilities and a suitable memorial to the service veterans from Salem who served our country so faithfully. This memorial building, to be erected near the Woodbury School by the town and maintained by the town, should be designed to seat 1,000 persons and be considered public property for functional uses of all citizens of Salem.

We further recommend, that the report of this committee be accepted and that steps be taken immediately to insure prompt action by appropriate authorities to bring this memorial building into reality.

HAROLD TELFER,
CHARLES SEIFERT,
SAMUEL VARTANIAN,
HOWARD WILLIS,
CLARENCE PRATT.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of
Salem qualified to vote in district affairs:

You are hereby notified to meet at the Woodbury High School in said district on the 15th day of March, 1947, at 1.30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fixe the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees, in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see if the district will vote to appropriate a sum of fifty dollars (\$50.00) for a state audit of the school district books.

Given under our hands at said Salem this 13th day of February, 1947.

HOWARD S. WILLIS,
HOWARD C. SMITH,
JOHN A. BAGNELL,

School Board.

A true copy of Warrant—Attest:

HOWARD S. WILLIS,
HOWARD C. SMITH,
JOHN R. BAGNELL,

School Board.

School Board.

Salem, N. H., Jan. 21, 1947.

*\$3.50 per \$1,000 of taxable inventory is minimum required by law in addition to per capita tax and salaries of district officers.

†\$5 per \$1,000 of equalized valuation must be raised for elementary schools to qualify for state aid.

REPORT OF SCHOOL BOARD

To the Citizens of Salem:

The school board is pleased to make its annual report relative to the maintenance of the schools of the town. Emerging from the war period, into one of unsettled conditions, our school buildings are in a good state of repair. To be sure, there are other items of repairing and redecorating, both outside and in, to be considered in the near future.

During this year, the roof of the Woodbury High School has been repaired with the result that a condition which has given much trouble in the past, and to correct which considerable money has been spent, has been eliminated. The estimate for this job was \$1200.00 which was appropriated by the school district last year. The cost was \$1850.00 but a good job apparently has been done. A roof and chimney repair job was also completed at the Depot School. The walls and ceilings of the high school were washed and repainted, including the corridors and most of the class rooms. One room at the Center school was repainted, a new ceiling was put up at No. 8 school. In all school buildings numerous minor repairs were made, a considerable number of desks repaired, also, sash cords and shades in all buildings were put in good working order. The heating systems were checked and put in good repair including new grates in the high school boiler. Electric service and lights at No. 7 school have been authorized and will without doubt have been installed by this time. Because of our method of purchasing fuel, we had no worries on this score during the period of coal shortages..

The school board's estimate for the 1947-48 school year calls for an appropriation of \$73,636.00, an increase of \$13,446.00 over last year's amount. This increase directly reflects the increased costs of instruction and maintenance and includes no items which are not deemed a necessity for the operation of our school system. This figure of \$73,636.00 seems considerable in view of past expenditures, but will be decreased if the legislature acts favorably to provide the money for increased state aid as outlined in the governor's budget message. The proposed increase of state aid money will give Salem possibly \$11,000.00 to \$12,000.00 as against the \$1,700 estimated for next year, which figure was used in our budget estimate. This will reduce the total amount requested substantially. The exact amount cannot be estimated at this time.

In a special article, the school board will ask for a transfer of the \$2,000.00 previously appropriated for a new maple auditorium floor to a fund to complete the painting of the interior of the high school, to re-surface and refinish all the desks in the schools and to provide some sort of mechanical apparatus to lift the ashes out of the cellar of the high school up to ground level. It is felt that maple flooring of the quality required will not be available for some time, so that this money could be used now instead of lying idle.

It has been the intention of the board to ask for an appropriation to provide some sort of shower and dressing room facilities at the high school. However, as we understand that the town has definite plans for these facilities adjacent to the high school and available for school athletics, such a request would be a duplication of something which is assured.

While plans for new school construction or additions

when approved by proper authorities will be paid for by the Federal Government, it is expected that when such requests are made, there will be some fairly definite assurance that construction will start in three or four years. In view of this, nothing much can be considered until some definite building program is adopted and authorized by the school district.

During these trying days of the past year, the school board has been gratified, indeed, by the splendid spirit of cooperation extended to us by all the members of the school organization, as well as the many parents and friends. Such cooperation is definitely to the advantage of the school system and the welfare of the children of Salem. May we as a board express our sincere appreciation to those who are responsible, to Mr. Nelson as superintendent, Mr. Rourke as headmaster, both in a supervisory capacity, Mrs. Soule as an efficient school nurse, Mrs. Thompson for her music, Mrs. Billewicz and Mr. Davis for their work with our athletic squads, to all teachers who have given generously of their loyalty to the children and to the janitors whose work is so vital but who seldom receive much credit.

Respectfully submitted,

HOWARD S. WILLIS,
HOWARD C. SMITH,
JOHN A. BAGNELL,

School Board.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Salem :

It is with pleasure that I submit my annual report as Superintendent of Schools. This report deals with the Salem schools for the school year July 1, 1945, to June 30, 1946. It is accompanied by vital reports by Headmaster Rourke, Mrs. Soule and Mrs. Thompson.

Again I am presenting information about our schools in statistical form. Many facts of interest can best be shown in this manner. I commend these tables as well as the reports of Headmaster and our special supervisors to your attention.

The enrollment last year was 655 as compared with 653 the year before. The school attendance averaged 91.46 per cent of the membership. Forty-four boys and girls completed the work of grade eight and all of these entered high school with hardly an exception. The Good Citizenship medal was awarded to Robert Sullivan. The Scholarship Medals given by the Salem Board of Trade to eighth grade students for excellence in scholarship were awarded as follows:

Gold Medal	Donnell Hulme
Silver Medal	Carroll Stickney
Bronze Medal	Eleanor Kimball

The opening of School in September found several changes in our teaching staff. In the elementary schools, Miss Elsie Carter retired from teaching at the Depot School after many years of faithful service. Miss Mary Chesworth, at the same school resigned to be married and Miss Eleanor Kfoury at the Center

School left for another position. Mrs. Margaret Driver, teacher at No. 8 School, resigned during the summer. Miss Morgia Valia succeeded Miss Carter. To replace the other teachers Mrs. Clarene Harding went to the Grade Three and Four room at No. 1, Mrs. Joan Balinas to No. 6, Mrs. Hoffman to No. 8. Miss Thelma Brand became the teacher in the small room at No. 1.

In the high school we had three vacancies to fill. Miss Mary Fisk retired after serving the youth of Salem so ably for many years. Miss Mary Sheehan was appointed to fill the vacancy. Mr. and Mrs. Cleon Hatch resigned to enter Junior College work in Maine. They were replaced by the appointment of Mr. Ernest Peltonen and Mr. James Crabtree.

Headmaster Rourke's report, which follows, sets forth the activities of the Woodbury High School. It is not small task for him and his faculty to teach, guide and counsel in such a time as this. I commend the splendid results being obtained at Woodbury.

Conditions are such that there will be very little school building construction this spring and summer. Of the many towns in New Hampshire that wish to improve their school buildings, it is expected that some will start in about a year. The greater number will get under way in about two years from this spring. We are especially concerned about the increase in pupils at the Center School. We are crowded this year. Next year will probably be more crowded.

The class size at the Depot School has been more normal this year. The Depot building is an old building with only an apology for a playground, but it does have four large and rather good class rooms. Salem

needs more and better school facilities, both at the above mentioned schools and the high school. I believe it is a problem that should receive further study and consideration. After seeing recently, ten and twelve room modern buildings with an auditorium, gymnasium, library and lunch room facilities and the things it was possible to do in such a school, I could not help wish such a building for Salem.

During the war America's educational system made vital contributions to victory. Now in peace time, the task facing our schools is to help make that victory secure for tomorrow's children. To do that effectively our schools must be equipped to meet new needs and responsibilities. The most essential and necessary improvements lie in the fields of organization, program, personnel and finance. Resolved into details they will include all the problems that affect or limit school efficiency.

The crisis in education is well known due to information given both by press and radio. This information is fortunate. The public is conscious of the situation and this gives promise for the future. Teachers' low salaries and over-crowded class rooms are in evidence generally. There is a very great shortage of trained elementary teachers. There is only slight relief in sight for the next three or four years and a severe shortage is indicated over the next five or six years at least.

Substantial salary increases are due devoted teachers. They are a must in order to interest teachers as new ones are needed. Also higher salaries than those now given, as well as a greater appreciation, generally, of the real worth to society of services performed by good teachers, must become evident before substan-

tial numbers of high school graduates will enter Teacher Training Colleges and thus relieve the shortage. Better buildings and better equipment are a common problem.

Visual education has a great opportunity to aid education in every school district. The armed services made very effective use of filmstrips, models, maps, charts, slides and motion picture films in their training program. This effective wartime use of visual aids is giving new impetus to the use of similar materials in our schools. Most teachers need to learn more about the use of these devices and more funds would be needed to finance this work. The improved methods of instruction would more than justify the effort.

Last summer the silent motion picture machine owned jointly by the five school districts which make up our supervisory union, was exchanged for a Bell and Howell 16 m. m. sound machine. Each school should have its own machine, but until this time comes we are pleased with what we have. I had hopes that each school could have two films on Geography and History each month, but we have not been able to keep this schedule. The Woodbury High School is fortunate to have a fine machine.

We hope that it will be possible, next year, to have an art teacher working in the schools, on art much the same as Mrs. Thompson does in music. The present broad scope of art as a school subject is in great contrast with the "drawing" in many school programs. The major purpose of art education, today, emphasizes the development of the enjoyment and appreciation of art in every phase of daily living for all pupils. Art education still includes instruction in the manipula-

tion and use of various art mediums, but solely for enjoyment and for creative self-expression.

Standardized achievement tests were again given during the year to children in grades one through eight. The Otis Mental Test was given to all in grades four and nine. The results of these tests are of great assistance to the teacher in better planning the work for both individuals and the group. In most instances our median achievement has been at or above the standard set up by the test.

In conclusion I wish to express my appreciation of the fine spirit of cooperation on the part of the school board, the teachers, local organizations and the community.

Respectfully submitted,

WILLIAM J. NELSON,

Superintendent of Schools.

High schools close after 180 days of school.	

REPORT OF HEADMASTER

To Mr. William J. Nelson, Superintendent of Schools:

I hereby submit my annual report as the headmaster of Woodbury High School.

The total enrollment, which on the opening day, Sept. 4, 1946, was 224, has increased to 235. Following is a table of enrollment by classes:

Grade	Total Enrollment	Discharges	Present Enrollment
12	33	0	33
11	34	4	30
10	34	0	34
9	47	6	41
8	36	1	35
7	51	3	48

There are eight tuition pupils, six from Windham and two from Atkinson.

Two boys who left school in their senior year to go into the navy have returned to complete their high school training.

Of the 28 graduates of 1946

1 entered the University of New Hampshire.

1 entered Keene Teachers' College.

1 entered Lowell Teachers' College.

3 entered the Modern School of Fashion and Design.

2 entered McIntosh Business College.

1 entered the University of N. H.—Applied Farming Course.

1 entered Vesper George Art School.

4 entered the Armed Services.

With the trend in education towards "units of experience"—that is learning applied to the everyday living experiences and interests of the pupil—it is most gratifying to see how much more vitalized the school work can become, and how much greater is the retention of this work. One outcome of this training has been the way in which the student council has taken over several phases of the school administration, and the fine support it is receiving from the student body. This is real learning, but it depends upon the proper attitudes being developed in the classroom where individual attention can be given and interests can be stimulated. We are handicapped in this work by the overcrowded conditions in the junior high school and the lack of an industrial arts training for the boys. It is impossible to carry on successful teaching in crowded classrooms and with a lack of proper facilities or where pupils choose certain courses because the ones they want and should have are not offered. Learning becomes merely a mastery of facts, with the other important phases being neglected. The goal becomes merely to "get by" and receive credit. The purchase of a sound motion picture projector with funds obtained from the proceeds of operettas and from recent graduating classes has added equipment necessary in any modern school building. This is used as part of the classroom instruction, for assemblies, and for entertainments. Its use, however, has been curtailed by the lack of funds.

The general administration of the school has been carried on in the customary manner. Fundamen-

tals, clubs, dances, assemblies, and hot lunches have been continued. The guidance program, although not elaborate, has proven itself most worthwhile. It will be continued and expanded.

This year the operetta "Once In A Blue Moon" was presented. Several copies of the "Ray" have appeared. The senior play and the dramatic contest will be held in the spring. Teamwork on the part of the teachers and pupils has contributed much in making these activities as successful as they have been. In these is shown the importance of attitudes, as the activities become pleasure rather than tasks when each, realizing that the general success depends upon the efficiency with which he does his share, small as it may be, does his part.

In interscholastic athletics, although we are working under the handicap of no gymnasium, showers, nor lockers, the program has been highly successful. It is interesting to note that other communities faced with the same problems that we have are taking steps to solve them. They are setting up the plans for a gymnasium, adopting a physical education program or improving conditions under which they have to play. Although opponents seem to enjoy the competition with our teams they may not always be willing to overlook the physical handicaps which they have to endure if we are to be their hosts. This is particularly true in basketball. To our present athletic program should be added athletics for the girls in the spring and the fall. These sports could be softball and field hockey. We are most appreciative for the support given to us by the Woman's Club in presenting silver basketballs to the senior girls on the basketball squad, to the

Men's Club for the supper and the silver footballs and basketballs given to the seniors of the football and basketball teams, to the townspeople who through the school board gave sweaters to senior members of both the girls' basketball team and the boys' football team. These and other awards made during the year serve as an added stimulus.

It is urgent that more parents visit school when it is in session. Many failures and withdrawals could have been avoided in the past had the parents availed themselves of the opportunity to have conferences with the teachers. These conferences would also make an excellent opportunity for parents to discuss post-secondary education for their children. Too few of our graduates continue their schooling after graduation, not being willing to make certain sacrifices necessary if one is to be able to afford to continue his education. If the child has the ability, and the determination to do so, he can obtain about as much post-secondary education as he desires.

In concluding, I wish to express my appreciation to the teachers and the student body for their support, and to thank you, the school board, and the citizens of Salem for your cooperation and good will.

Respectfully submitted,

EUGENE ROURKE.

February 4, 1947.

REPORT OF SUPERVISOR OF MUSIC

To Mr. William J. Nelson, Superintendent of Schools:

It is important that music be included in the daily routine of a child's life. This does not mean that he has actually to perform music, but he should have the experience of listening to good music. Radio and phonograph provide excellent opportunities, but to listen intelligently with added enjoyment, a child needs adequate musical guidance. Our musical appreciation course, which starts in grade one and is carried on through the succeeding years works toward this goal.

A complete study of the symphony orchestra is made in grades seven and eight. The boys and girls who successfully pass a test on recognition of the musical instruments attend a performance of the "Pops" in Symphony Hall, Boston. Watching as well as listening to a large orchestra is of real value to the students.

The work in music reading and voice development is being carried on as successfully as ever by the teachers on whose assistance I rely to such a great extent.

Once in a Blue Moon, a Fitzsimon's operetta presented by the Woodbury High School students in November was well received and a success financially. Two of the High School students sang with the All State High School Chorus, in Nashua in

.

April. It was a rich experience for those who took part and a joy to all who listened.

For the continued help and support of the teachers and your cooperation, I am most grateful.

Respectfully submitted,

EVA W. THOMPSON.

ANNUAL REPORT OF SALEM SCHOOL NURSE 1945-1946

To Mr. Wm. J. Nelson, Superintendent of Schools:	
Number of pupils examined	612
Notification of all defects found were sent home	
Number of visits to schools	621
Number of visits to homes, follow up work	154
Defective Teeth	238
Corrections	214
One pupil taken to dentist's office for an extraction	
Enlarged Tonsils	28
Corrections	18
Defective Vision	66
Corrections	56
Pupils taken to Ophthalmologist	4
Pediculosis	20

Elementary students were weighed and measured several times during school year, records were kept on charts provided by State Board of Education.

Many children were referred to family physician or Balch Clinic for pronated feet. Appointments were made when parents requested it.

Audiometer test was given to all pupils from third grade through grade twelve. Those found hard of hearing were given special attention, through follow-up work. Cases where parents were unable to finance treatment, aid was given by the New Hampshire Society for Crippled Children and Handicapped Persons. Two pupils are still being treated by an Ophthalmologist.

Powder, Cuprex and Derbec combs were given by the Red Cross to distribute to families who were unable to finance treatment for pediculosis. Cod Liver Oil was given to needy families also financed by Red Cross.

One pupil attended the Lahey Clinic, Boston, Massachusetts, for diagnostic purposes financed by Red Cross. Treatment is being financed by the Salvation Army.

The Salvation Army donated Tooth Powder and Brush for each student in the elementary schools in a health project.

I wish to express appreciation for the many kind acts of assistance to the School and Town Organizations, and the parents who have helped to make my work a success.

Respectfully submitted,

JESSIE SOULE, R. N.

Union 55—Salem, Plaistow, Hamstead, Newton, Atkinson.

REPORT OF CITIZENS COMMITTEE ON SCHOOL IMPROVEMENTS

Authority for action: Appointment by resolution last annual school meeting.

LAUREL G. CHUTE, Chairman
CLARENCE PRATT
MRS. ROYAL ROULSTON
MRS. LOUIS HAJASY
WALTER STICKNEY

The Committee appointed at the last annual school meeting has devoted a major part of its time in a very exhaustive study of present school conditions, all information coming to its attention, and have visited other schools. Members of the committee have attended monthly school board meetings, have met with state school representatives, and have sampled public opinion through personal interviews, to better understand the cause for dissatisfaction.

To give all interested persons an opportunity to express their opinions, 960 copies of a questionnaire were mailed to the citizens of Salem in September. The questionnaire was based on the text of a report issued by Mr. Paul Farnum, State Administrative Field Agent, in June, 1944, which the committee felt after study was the best authoritative basis available. The number of questionnaires returned was disappointing but the quality was gratifying.

After study, the Committee proceeded with the

development of a program based on statements made in the returned questionnaires which were considered a cross section of public opinion.

Schools as a whole have done fairly well in preparing boys and girls for college but as this group represents only 28 per cent of the total, the need for vocational training becomes increasingly important. 72 per cent of all pupils either entered employment after graduation or stayed at home. This fact alone is conclusive evidence that they should be well prepared to go to work. The rapid expansion of new industries, new processes and new material all call for an enlarged vocational training program.

One of the major aims of our high school should be to give each boy and girl as good a general education as possible, and in addition provide types of vocational training which makes it possible for each student to adjust himself as quickly as possible in the vocation which he may enter on leaving high school. Lack of vocational training throws the student without further training on a usually glutted labor market. It is these who are the first to be let go when depressions or slack periods come and become a community problem more costly than schools.

The committee recommends the use of a program designed for small communities of 2,000 or more population where the enrollments are so low that the cost of vocational courses would be excessive. Under this program the teacher in charge could teach a number of courses. Naturally the teacher cannot be expected to rate as an expert in all of these fields, therefore, to supplement his knowledge some carefully chosen correspondence course can

be used. The flexibility of this method is its greatest advantage in that if there are enough students in any course or courses, more teachers can be employed without having the community burdened with the cost of a fully developed vocational training program and yet will not penalize the minority.

The courses to be taught under such a program can only be determined by an occupational survey of the surrounding territory.

It is unfortunate that the community must suffer from the shortsightedness of the state which does not allow the accumulation of reserves by amortization of existing facilities which would allow the true tax rate to be computed and not cause additional hardship due to the fact that the funds for improvements must be borrowed.

In conclusion the committee feels that the community's wealth is in its people and to increase this we should be willing to contribute sufficient money to provide education to produce the best results and bring in the greatest returns.

PLAN 1—\$312,000

A. New Four-Year High School—\$232,000

Six home rooms (\$8,000 each)	\$ 48,000
Chemistry department	12,000

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Salem, in the County of Rockingham, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the town house, in said town, on Tuesday, the eleventh day of March next, at twelve (12.00) of the clock noon, to act upon the following subjects:

Art. 1. To choose all necessary town officers for the ensuing year.

Art. 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation for the same.

Art. 3. To see if the town will vote to raise any more money for the repairs of highways than the law requires.

Art. 4. To hear the reports of agents, auditors, committees or officers heretofore chosen, and pass on any vote relating thereto.

Art. 5. To see if the town will vote to authorize the town treasurer to hire, with the approval of the

selectmen, such sums of money as may be needed for general purposes in anticipation of taxes.

Art. 6. To see what action the town will take relative to lighting the streets, and raise money for the same.

Art. 7. To see if the town will vote to raise a sum of money not to exceed five thousand dollars (\$5,000), for the purpose of providing police officers for the ensuing year.

Art. 8. To see if the town will vote to raise a sum of money not to exceed six thousand dollars (\$6,000), for the maintenance of the fire department for the ensuing year.

Art. 9. To see if the town will vote to raise the sum of three thousand five hundred dollars (\$3,500), or any part thereof, for the removal of snow from the highways and general highway expenses.

Art. 10. To see if the town will vote to raise the sum of seven hundred eighty-nine dollars and eighteen cents (\$789.18), and apply for State Aid for Class V Highways.

Art. 11. To see if the town will raise the sum of five thousand dollars (\$5,000), or any part thereof, to provide a sinking fund for permanent improvements as provided in Chapter 160 of the Public Acts of the 1943 Legislature. Said fund shall be invested by the Trustees of the Trust Fund until expended as provided in said Act. Said money shall be expended by the Selectmen for any or all of the purposes named in the 1944 warrant. Further said money shall be expended to give the greatest possible

employment to returned service men in the process of adjustment to civil life.

Art. 12. To see what action the town will take relative to allowing a discount on taxes.

Art. 13. To see if the town will vote to raise the sum of two hundred dollars (\$200), or any part thereof, to maintain and improve the Town Common and the Public Square near Pine Grove Cemetery.

Art. 14. To see if the town will vote to raise and appropriate a sum not exceeding three hundred sixty-nine dollars and forty- two cents (\$339.42), (1/100th of one per cent of the town's valuation based on the 1946 assessment) to the Merrimack Valley Region Association for the purpose of publicizing and promoting the natural advantages and resources of the town in co-operation with the other 37 communities in the Merrimack Valley Region.

Art. 15. By request of Library Trustees. To see if the Town will vote to raise the sum of one thousand three hundred dollars (\$1,300.00), or any part thereof, above the amount required by law, for the support of the Salem Free Public Library for the year 1947.

Art. 16. By request of Library Trustees. To see if the town will vote a sum of money not to exceed four hundred dollars (\$400.00) for the purpose of installing an oil burner in the heater at the Salem Free Public Library.

Art. 17. By request of cemetery trustees. To see if the town will vote to raise a sum of money not to exceed five hundred dollars (\$500), to be expended

in the care of walks, drives and vacant lots in Pine Grove Cemetery.

Art. 18. By request of John W. Parker. To see if the town will vote to raise a sum of money not to exceed five hundred dollars (\$500), to be expended in the care and improvement of Mt. Pleasant Cemetery.

Art. 19. By request of Ernest W. Young Post American Legion and Salem Memorial Post, Veterans of Foreign Wars. To see if the town will vote to raise the sum of three hundred dollars (\$300), or any part thereof, for the use of the above Veteran's Organizations, to be expended in the observance of Memorial Day in the year 1947.

Art. 20. By request of Salem Fire Department. To see if the town will vote to raise the sum of two thousand three hundred dollars (\$2,300), for a new pump and equipment for the same.

Art. 21. By request of the Salem Servicemen's Fund Committee. To see if the town will vote to accept from the Servicemen's Fund Committee the sum of six thousand dollars (\$6,000), plus interest to March 1, 1947, the same to be established as a trust fund known as World War II Veterans Memorial Auditorium Fund.

Art. 22. By request of the Memorial Committee. To see if the town will accept the report of the Memorial Committee and elect from the floor a permanent committee of five which would be authorized to have preliminary plans for a Memorial Auditorium prepared for presentation at a subsequent Town Meeting not later than March 1948. Said committee

shall be authorized to spend an amount not exceeding five hundred dollars (\$500) to be used to defray expenses incurred in obtaining said preliminary plans.

Art. 23. By request of Millville Associates and others. To see if the town will vote to widen the bridge at Millville Lake on Millville Street and raise money for the same.

Art. 24. By request of Albert E. Searle. To see if the town will vote to install one or more street lights at the entrance of Millville lake to cover approach of bridge and lake entrance, and raise money for the same.

Art. 25. By request of Emil Fiedler. To see if the town will vote to install one street light on Clinton Street, between the residences of Mr. Gill and Mr. Fiedler, and raise money for the same.

Art. 26. By request of Charles K. Budron and Joseph A. Dewan. To see if the town will vote to repair with gravel and tar the road leading from the residence of the Townsend's at Hampshire Road to the state line near the residence of Joseph Silverthorne, or any part of this distance, and raise money for the same.

Art. 27. By request of Arthur Wilson. To see if the town will vote to continue the gravel and tar road from the residence of Arthur Wilson on Wheeler Ave., to Bridge Street.

Art. 28. By request of Ralph Gibson. To see if the town will vote to repair the road leading from Mosquito School-house Corner to his residence with gravel and raise money for the same.

Art. 29. By request of Leslie H. Kohler. To see if the town will vote to repair with gravel and tar the road leading from his residence to the North Salem Road, or any part of this distance, and raise money for the same.

Art. 30. By request of Ernest D. Nyman. To see if the town will vote to widen and tar that portion of Brady Ave., leading from No. 7 School to the next crossroad, and raise money for the same.

Art. 31. By request of Kelly Dahood. To see if the town will vote to gravel and tar Brady Ave. from the residence of William A. Turner to Hedgehog Road, or any part of this distance, and raise money for the same.

Art. 32. By request of David Webb. To see if the town will vote to accept Merrill Ave., from the residence of Frank B. Currier to the land of David Webb, a distance of approximately five hundred feet.

Art. 33. By request of Donabedian Bros. To see if the town will vote to change the street drain near the residence of the late Edward Manoogian and raise money for the same.

Art. 34. By request of Walter S. Woodbury and others. To see if the town will vote to install a traffic light at the corner of Pleasant Street and Main Street, and raise money for same.

Art. 35. By request of Walter S. Woodbury and others. To see if the town will vote to clean up the papers and rubbish from Pleasant Street and other

streets thrown from cars passing to and from Rockingham Park, and raise money for same.

Art. 36. By request of Guy L. Ackerman. To see if the town will vote to extend the water main on Taylor Street, a distance of 1,200 feet and raise money for same.

Art. 37. By request of Peter Tusen. To see if the town will vote to extend the water main from No. 9 schoolhouse to the junction of Lawrence Road and Maple Street above the residence of Peter Tusen, or any part of this distance, and raise money for the same.

Art. 38. By request of Leo Berard. To see if the town will vote to raise the sum of ten thousand dollars (\$10,000) or any part thereof for the purpose of renewing the present small water pipe to a six inch main, extending from the residence of George Merrill on School Street to the farm formerly of Frank Roberts.

Art. 39. By request of Gerard Bauters. To see if the town will vote to raise the sum of thirteen thousand dollars (\$13,000) or any part thereof for the purpose of extending the six inch water main on Cross Street from the Graichen Farm to the residence of Gerard Bauters.

Art. 40. By request of Mrs. Martha Parkinson and others. To see if the town will vote to raise the sum of five thousand dollars (\$5,000) or any part thereof for the purpose of renewing the present small water pipe to a six inch main, extending from Halls Crossing westerly on Lowell Road to the residence of John Ryan.

Art. 41. By request of Laurel G. Chute and others. To see if the town will vote to adopt the provisions of the Municipal Budget Law.

Art. 42. By request of Ray A. Brunelle. To see if the town will vote that Tax Liens and Tax Deeded property shall not be sold until a notice of the intent to sell shall have been posted in the Town Clerk's Office and various other town offices and buildings for 21 days prior to the date of sale. Notice is to give date, time and place where sale is to be conducted, and give a clear description of land or property to be sold. That the property shall be sold at public auction to the highest bidder.

Art. 43. By request of Menora A. Bradford. To see if the town will vote to accept two hundred dollars (\$200) from Menora A. Bradford as a perpetual fund, the interest to be expended in the care of the Menora A. Bradford lot in Pine Grove Cemetery.

Art. 44. By request of Charles Weinhold. To see if the town will vote to accept one hundred dollars (\$100) from Charles Weinhold as a perpetual fund, the interest to be expended in the care of the Haigh-Weinhold lot in Pine Grove Cemetery.

Art. 45. By request of Charles F. Sargent. To see if the town will vote to accept one hundred dollars (\$100) from Charles F. Sargent as a perpetual fund, the interest to be expended in the care of the Francis Kimball lot in Pine Grove Cemetery.

Art. 46. By request of Florence A. Watson. To see if the town will vote to accept one hundred (\$100) from Florence A. Watson as a perpetual

fund, the interest to be expended in the care of the James McLachlin lot in Pine Grove Cemetery.

Art. 47. By request of Marlyn Hopping. To see if the town will vote to accept one hundred (\$100) from Marlyn Hopping as a perpetual fund, the interest to be expended in the care of the Lizzie Nudd lot in Pine Grove Cemetery.

Art. 48. By request of Alice Richardson Estate. To see if the town will vote to accept one hundred (\$100) from the Alice Richardson Estate as a perpetual fund, the interest to be expended in the care of the Perkins-Richardson lot in Pine Grove Cemetery.

Art. 49. By request of John Turner. To see if the town will accept one hundred (\$100) from John Turner as a perpetual fund, the interest to be expended in the care of the John Turner lot in Pine Grove Cemetery.

Art. 50. By request of Mrs. Emma Troy. To see if the town will vote to accept one hundred and fifty dollars (\$150) from Mrs. Emma Troy as a perpetual fund, the interest to be expended in the care of the D. E. Troy lot in Pine Grove Cemetery.

Art. 51. By request of Mrs. Eunice Seares. To see if the town will vote to accept one hundred dollars (\$100) from Mrs. Eunice Seares as a perpetual fund, the interest to be expended in the care of the Joseph E. Seares lot in Pine Grove Cemetery.

Art. 52. By request of Grace M. Meserve. To see if the town will vote to accept one hundred (\$100) from Grace Meserve as a perpetual fund,

the interest to be expended in the care of the Meserve-Howard lot in Pine Grove Cemetery.

Given under our hands and seal this twenty-first day of February, in the year of our Lord nineteen hundred and forty-seven.
